

Coming in 2010...Co-op Connections® Card

Carroll County REMC members will be able to support local businesses, receive a discount and reap savings with the Co-op Connections® Card, coming in May. Locally, the card will cover savings from businesses such as financial services to automotive repair.

You will take your Co-op Connections® Card with you wherever you go. When you see a Co-op Connections® Card logo on the window, door or cash register of a business, you will be able to use your card at that business to get valuable discounts on products or services. A list of participating businesses will be available on our website with specific details about discount offers. When traveling, members also will be able to use the Co-op Connections® Card, thanks to the national reach of the Touchstone Energy cooperative network.

Touchstone Energy's exclusive membership discount card offers cooperative members thousands of local and national deals. There are over 22 million cards and key fobs in use in communities across the country.
